Two Early Morning Shootings

On March 27, 2022 at approximately 5 am, Manchester Police responded to the area of Cedar and Chestnut St, for a report of a shooting.

Police learned that the caller heard gunfire and then saw two males running from the area. Multiple shell casings were located.

While officers were at this location, they heard multiple shots being fired nearby and located an additional shooting scene in the area of 178 Cedar St. There they found two vehicles and a building damaged by bullets.

Shortly after, police were informed that a male came into Elliot Hospital with multiple gunshot wounds. The male's status was described as critical but stable.

It is believed that these injuries occurred during the first shooting near Chestnut St.

Despite these incidents happening within close proximity to each other, they are being investigated separately. If anyone has information about either shooting you are asked to call Manchester Police at 603-668-8711. You can also remain anonymous and call the Manchester Crimeline at 603-624-4040.
